

Royal Sydney Yacht Squadron

Membership Prospectus

Welcome,

On behalf of the Royal Sydney Yacht Squadron, I would like to thank you for your expression of interest in becoming a Member of our Club.

Since 1862, we have attracted a diverse community of Members who share a common interest in the sport of sailing and in enjoying world class facilities both on-water and ashore.

This sense of community is one of the key pillars in our Club's mission and what distinguishes RSY from other yacht clubs around Australia. Our passion for promoting the sport of sailing, encouraging Members' usage of the Club and fostering the Member for Life philosophy are also key aspects of the Club's mission.

I have had the privilege of being part of our Club's community for over 25 years and enjoyed almost every offering available including the youth performance programs, competitive one-design Saturday racing, fabulous dining and cellar facilities, and the amazing networking opportunities within our wider Membership.

I have also had the opportunity to introduce my family and children to the Club over the last few years through the various discover sailing courses and family friendly social events.

I hope that you find this prospectus useful and that it provides you with an insight into the opportunities available to our Members. If you have any additional questions, please reach out to a membership representative using the contact information provided.

I look forward to welcoming you to our Club as Member soon.

Our History

On the 8th of July 1862, William Walker and eighteen prominent Sydney yachtsmen signed the Club's foundation document, starting the Royal Sydney Yacht Squadron's grand journey to becoming one of the world's leading yacht clubs.

Since our inauguration, the Club has noted many exceptional achievements both on-and-off the water including multiple challenges for the Admiral and America's Cups, active participation in major ocean racing events, cultivation and support of numerous Olympians and hosting of multiple major Olympic, world and

national championship events.

These achievements have been complemented by significant development to our Club facilities including the enlargement of the historic Carabella clubhouse and waterfront facilities. These developments have focused on catering to the evolving needs and interests of our Members.
