Dear Sir /Mdm

### INVITATION TO THE 30<sup>TH</sup> RAJA MUDA SELANGOR INTERNATIONAL REGATTA – 2019

It is with great pleasure that we would like to invite you and your club members and local yacht owners to attend the 30<sup>th</sup> edition of the Raja Muda Selangor International Regatta. The event has always been organized and conducted by the Royal Selangor Yacht Club, based in Port Klang, Malaysia.

Held annually since 1990, this year's regatta will take place in Malaysia between 15<sup>th</sup> to 23<sup>rd</sup> November, and follow the traditional format of 3 passage races from Port Klang – Pangkor, Pangkor – Penang and Penang – Langkawi, with a number of local inshore races in Penang and Langkawi.

For this anniversary regatta we are inviting past winners of the prestigious Raja Muda Cup to return and to sail with us once again and we understand that many crew members who have competed in the past will also come this year. Our RSYC Life Commodore, HH The Raja Muda of Selangor, will be sailing the full event in a chartered yacht, along with some of our club members, and we expect our Patron HRH the Sultan of Selangor to also sail during the last part of the regatta and to present prizes.

We have already received a number of "expressions of interest" and expect a large turnout of boats and competitors in 2019. Charter yachts are available, with details on our web site, and we can assist in making arrangements for charters or crew positions.

We will be grateful if you can display the accompanying poster on your club notice board and generally bring our event to the attention of your members. If your club is holding a regatta between June and October this year, we can supply information flyers for the skipper packs. Please let us know if we can send you some.

Our web site [www.rmsir.com](http://www.rmsir.com) has details of the event. Please do contact us if you require any further information and we very much hope to see you or some of your members in Port Klang for RMSIR.

Best regards,

Jeffrey B. Harris  
Chairman of the Raja Muda Selangor International Regatta
