Dear RSYS Race Official

**Re: VOLUNTEER RACE OFFICIAL – AVAILABILITY  
2018/2019 SAILING SEASON**

1 September 2018 – 13 April 2019

Enclosed is a two page questionnaire relating to your availability as a Race Official during the 2018/2019 Sailing Season. Your response to this questionnaire will provide the basis for the Season Race Officials Roster.

Please complete the availability questionnaire and return it to the Sailing Office as soon as practicable, but please no later than **Monday 6<sup>th</sup> August 2018**. This timetable should permit the completed roster to be sent to participating Race Officials two weeks prior to the first race on the program. If you are unable to assist this year please advise the Sailing Office at your early convenience.

Any queries regarding the above please do not hesitate in contacting the RSYS Sailing Office.

**NB Frequency of Officiating** - It has been our policy not to roster a volunteer more frequently than once a month, so as not to overload your calendar with race management activity. We have had a number of requests from people who want to participate more frequently and consequently, there is a question with the questionnaire for you to indicate if you would like to do race management more frequently than once a month.

As always the Sailing Office and broader club membership thank you for your enduring support during the 2017/2018 sailing season and your on-going support for the coming season. What is often a thankless duty in some miserable conditions is an integral part of the clubs program we cannot do without.

We forward to seeing you out on the water this season.

Kind Regards  
Rob Ridley
